Recruitment for JRF in Department of Mathematics

Applications are invited for the post of JRF to work on a DST, SERB funded research project entitled “**Approximation by generalized Kantorovich type sampling series.**” The duration of the project is 3 years.

Eligibility: M.Sc. (Mathematics) with division first class (or at least CGPA 6.75) and a good academic background with sound knowledge in Real Analysis & Approximation Theory.

Candidate must have qualified NET/CSIR-UGC JRF/GATE in Mathematics

Salary: Rs. 25000 per month + HRA*(first two years)

Rs. 28000 per month + HRA* (after two years)

* HRA is as per norms of DST, SERB.

General Term and Condition: The position is temporary initially for the period of six months and extendable up to three years (solely based on satisfactory performance). The position is coterminous with the project. The post is purely temporary in nature.

Completely filled, signed application form must be submitted as per the template provided below via email/by post (with testimonials) to the address as mentioned below, latest by 30th, April 2018. Original documents of age proof/certificates/degrees/mark sheets and other testimonials must be presented at the time of interview. Only shortlisted candidates will be communicated to appear in the interview and no other communications in this regard will be entertained. The candidate will have to attend the Interview at his/her own cost.

No TA/DA will be paid for attending the interview.
